- **The Five Behaviors® – Team Development Profile**, which provides both individual and team feedback, is grounded in the model described in *The Five Dysfunctions of a Team*, the internationally best-selling leadership fable by **Patrick Lencioni**. Participants learn how, as a team, they score on the key components of the model: trust, conflict, commitment, accountability, and results. Using these results, participants will create a better, stronger team. **Powered by Everything DiSC (35 Credits)**
- **The Five Behaviors® – Team Development Annotated Report** will walk you through the report page by page, giving you pointers and extra information for facilitation. **(0 Credits)**
- **The Five Behaviors® – Team Development Progress Report** compares how a team’s performance has changed over time, highlights areas of greatest improvement and decline. **(0 Credits)**
- **The Five Behaviors® – Personal Development Profile** was created to harness the power of The Five Behaviors™ across the entire organization. The program teaches individuals to become better teammates by integrating Lencioni’s model at the organizational level – participants *do not need to be part of the same team*. Rather, participants carry the takeaways of this program from one team to the next, enabling a culture of teamwork. Learners at all levels can benefit from and adopt its powerful principles, shape behaviors, and create a common language that empowers people to rewrite what it means to work together. **(25 Credits)**
- **The Five Behaviors® – Comparison Report** is a great tool to use to help team members learn more about one another and improve their individual relationships and, by extension, their ability to work together. The reports are organized around The Five Behaviors model and illustrate two continua per behavior. You can use this report with both the Team Development Profile and the Personal Development Profile. **(0 Credits)**
- **Everything DiSC® Workplace Profile** helps build better relationships – one relationship at a time. Includes your map, priorities, motivators, stressors, three personalized key strategies for success and how to increase your effectiveness with others! **(15 Credits)**
- **Everything DiSC® Productive Conflict Profile** helps learners improve self-awareness around conflict behaviors. Rather than focus on a step-by-step process for conflict resolution, Everything DiSC Productive Conflict helps learners curb destructive behaviors so that conflict can become more productive, ultimately improving workplace results and relationships. **(20 Credits)**
- **Everything DiSC® Agile EQ™** is a classroom training and personalized learning experience that teaches participants to read the emotional and interpersonal needs of a situation and respond accordingly. Participants discover an agile approach to workplace interactions and learn to navigate outside their comfort zone, empowering them meet the demands of any situation. **(25 Credits) (10 Credits Only on Catalyst)***
- **Everything DiSC® Sales Profile** increases sales effectiveness using the power of DiSC. Salespeople learn to communicate better and improve their sales relationships by understanding their DiSC sales style and understanding and identifying their customer’s DiSC buying style. **(25 Credits)**
- **Everything DiSC® Management Profile** increases effectiveness using personalized learning to develop their management styles, improve communication and increase engagement. **(25 Credits) (10 Credits Only on Catalyst)***
